Electronic Services

Registration Manual

Summary

Access to the e-services platform requires registration. You can register if you are over 18 years of age and you hold a valid residence permit or a residence permit that has expired at the most a year before your registration. You can also register if you are under 18 years of age but become 18 during your residence permit's validity.

You can register using a residence permit that is ready to be delivered. Details for residence permits that are ready to be delivered can be retrieved by following this link: [Πορεία Φακέλου Πολίτη Τρίτης Χώρας \(APPLICATION STATUS\)](#).

For any issues you face during the registration process you can contact the support center by e-mail: e-rvsupport@migration.gov.gr.
